Grading Policy

- 10% Class Participation
- 30% Midterm
- 40% Final Exam
- 20% Homeworks (best 4 out of 5)

Homeworks

- Late Submission:
 - Upto 24 hours late -- a penalty of 50%.
 - More than 24 hours late -- no credit
- Collaboration:
 - Can collaborate with 1 other classmate, but the final write-up/code should be your own.
 - Acknowledge the person you've worked with.
 - For each homework assignment, the permitted online resources will be specified.
 - Do not use any AI tools unless their use is explicitly allowed in the homework instructions.

Exams

- Midterm: In-Class (Date TBD)
- Final exam: In-Class (Date TBD)

No collaboration, no extension!

Academic Dishonesty

Any instance of academic dishonesty will result in a significant penalty to your overall course grade and will be reported for further action.

Books

No prescribed textbook. These are some good references in case you are interested.
